

Bowl-O-Drome Will Open This Friday

"Bowling is more fun at the Bowl-O-Drome."

That is the pledge by the Alex Schreiber and family enterprises, which will open the magnificent, million-dollar Bowl-O-Drome for the first time tomorrow, Friday, March 29, in Torrance.

The 40-lane structure at 220th

and Western ave. incorporates all of the latest innovations of modern recreation centers, including a billiard room, cocktail lounge, coffee shop, free supervised nursery and playground and lots of free parking.

Open on a 'round-the-clock' schedule, the new establishment

will provide wholesome recreation and social activities for the entire South Bay community.

Bowl-O-Drome is the first bowling center developed in Torrance in the past two decades and is certain to fill a growing need for a place to play for children of all ages, the Schreiber pointed out.

"When we open our doors—you will open your eyes," promise Max and Howard Schreiber, who will supervise the operation for their father, Alex, a pioneer former Detroit motion picture magnate.

The Torrance Installation featuring the American Machine and Foundry co. automatic pinspotters and under-lane single T-ball returns, is the third Schreiber bowling establishment in this area. They previously built Paradise Bowl in Westchester and currently own and operate the 24-lane Victory Bowling Center in Van Nuys.

Sergeant in Antiaircraft Division

Army M/Sgt. Jerry N. Albin, son of Mrs. Ethel Albin, 22809 Anza ave., is a member of the 933rd Antiaircraft Artillery Missile battalion in Costa Mesa, Calif.

Regular bowling league activities, scheduled to begin April 22, will be the function of Andy Anderson, veteran Southland manager, and his staff of Robert Lee and Ernest Chaltraw.

Free bowling instruction will be provided Monday through Friday (10 a.m.-5 p.m.) with Bob Prince, expert bowler and "Certified Instructor's" school graduate, in charge of the program.

Additional applications for leagues, teams and individuals are still being accepted.

- 3) Keep informed concerning what is being read at school.
- 4) Take advantage of reading activities other than those connected with study.
